

## Why Choose Adventure Guianas?

Adventure Guianas has been in operation for close to 10 years. During this time we have acquired extensive knowledge as a service provider, and continue to offer new and exciting itineraries, in keeping with the ever changing demands of the tourism and hospitality industry. This comes naturally, given our first-hand knowledge of the territory, whether it is Suriname, French Guyana, Northern Brazil, Venezuela or base country, Guyana. Put us to the test and you will see!

We continue to keep things simple, and re-invest in our human and capital resources. We can boast our own Hotel Toucanna in Lethem, Rupununi on the Guyana/Brazil border and Piraiba Lodge, in the Upper Essequibo River, deep into the jungles of Guyana, in addition to our fleet of vehicles, boats etc. Our aim-to remain competitive, by providing a value-oriented service to our clients, and work closely with Indigenous Communities, converting hunters, loggers, gold miners, fishermen etc into managers, tour guides, boat captains, cooks etc. This can only be achieved with your assistance!

So come “Experience the Amazon & Beyond” with Adventure Guianas!
